

### **Who are we?**

Established in 1983, privately-held Pacific Market International (PMI) designs, manufactures and markets innovative food and beverage solutions designed for busy lifestyles. Our brands in the marketplace are Stanley, Aladdin, Migo, and Slant Collections. PMI is headquartered in Downtown Seattle. We also have offices around the world in Shanghai & Shenzhen, China; Rio de Janeiro & Manaus, Brazil; Manila, Philippines; Amsterdam, The Netherlands; and San Francisco & Bentonville, USA. More information can be found at [www.pmi-worldwide.com](http://www.pmi-worldwide.com). Thanks for checking out our full-time Senior Accountant role.

### **Position Overview – Seattle Office**

As the Senior Accountant you are responsible for applying accepted accounting principles and procedures to analyze financial information, prepare accurate and timely financial reports and statements and ensure appropriate accounting control procedures. You are an expert in inventory and standard costing methods and oversee the cost accountant. You will work closely with managers throughout the company to help understand their budget and forecast variances.

### **You'll:**

- Perform month-end and year-end accounting close under a tight deadline and reconcile balance sheet accounts as assigned
- Recommend updates to departmental policies and procedures as needed and assume responsibility for implementing approved changes
- Timely identification and resolution of accounting related issues
- Provide assistance to department & business managers in understanding their budget and forecast variances for results impacting gross margin
- Assist with the compilation of monthly and quarterly financial statement packages
- Assist with the preparation and presentation of forecasts and annual budgets
- Assist with the design and generation of Hyperion forms and financial statement reports
- Cross-train additional functions in the accounting department (e.g. processing of accounts receivable & accounts payable, creating new management reports) to support other team members

### **As the Senior Accountant we ask that you bring:**

- A detailed understanding of the process and workflow of transactions as they relate to accounting function
- An understanding of accounting transactions in a multi-currency environment
- Understanding and application of U.S. GAAP
- Advanced Excel skills, intermediate PowerPoint skills
- B.A. in Accounting
- 4-5 years of progressive experience; CPA or CMA designation preferred
- Experience with a Tier 1 ERP system (Oracle EBS preferred)

**Comprehensive compensation and benefits package including 401(k) plan.**
